This year you can use one entry form to enter more than one model or more than one competition. Please fill out and return the completed form to the address above. Pre-registration must be entered on or before April 10, 2008. There will be a \$25.00 late registration fee for entries received after April 10, 2008.

Deposit Amounts:

Barber competition: \$50.00 per model. All other competitions will be \$75.00 per model. Deposits are non-refundable and non-transferable. Pre-registration is highly recommended; however, on-site registration for the Braid Battle 3000 and the Best Blades Barber competition will take place only on Saturday, April 26, 2008. On-site registration for the Lockmania Lock Competition will take place on Saturday, April 26 and Sunday, April 27 and will be held on Monday, April 28, 2008. The registration will take place in the lobby outside of the exhibit hall. Competitors must sign and submit the official entry application and receipt of the required fee. In doing so, the competitor agrees to abide by any and all decisions of the competition judges as final.

Competitors may enter only one model per entry fee. If more than one model is desired, an additional entry fee must be paid for each additional model. It is the responsibility of each competitor to secure and furnish his or her own expenses. All models and competitors must sign the WNHH&BS Model release form in order to compete in any of the competitions.

Competitors and models will be given complimentary entrance to the WNHH&BS on the day of their competition. Family members, guardians or friends are required to purchase tickets to enter the exhibit hall.

The preparation room is for preparing your model. Valuable items **should not** be left there. Management will not be held responsible for items left unattended. All working tools and supplies must be provided by competitor.

Judging will be done on a visual basis. The international 30-point scoring system will be used. The jury chairman's scores will be used to break any ties. The decision of the jury is final.

IMPORTANT: Braid and Lock competitions must have at least 15 contestants and the Barber competition must have at least 18 contestants or the competition's awards will be adjusted. In order for these competitions to be successful, contestants need to sign up immediately. We encourage all hair stylist and hair salons to get involved. If a competition is cancelled, any and all refunds will be mailed individually 7-10 days following the WNHH&BS. No exceptions.

Show management reserves the right of final interpretation of the rules and regulations in all competitions. If there is not an adequate amount of competitors in each given competition, show management reserves the right to alter, cancel and/or not award cash prizes. Monies will be refunded to contestants if competition is cancelled.

I wish to officially enter the World Natural Hair Health & Beauty Show Competitions. I will abide by all printed and verbal rules and regulations. I understand all contest committee decisions are final. Entries will be on a first-come, first-serve basis. I also understand that each competition is based on stylist participation and may be changed, altered or cancelled entirely at the discretion of the competition chairman. In either case, my entry fee can/will be adjusted or refunded and I will have no further redress.

I have read and understand the procedures for entry into the World Natural Hair, Health & Beauty Show competitions.
